NONDISCRIMINATION POLICY

It is the policy of the Clinton Central School Corporation not to discriminate on the basis of race, color, religion, sex, national origin, age or handicap in its educational programs or employment policies as required by the Indiana Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX (1972 Educational Amendments), and Section 504 of the Rehabilitation Act of 1973. Inquiries regarding compliance with Title IX, ADA, and Section 504 should be directed to the Superintendent or building principal at Clinton Central School Corporation, or the Office of the Civil Rights, U.S. Department of Education, Washington D.C.

POLICY STATEMENT

The Clinton Central Board of School Trustees recognizes that a written document cannot provide for all contingencies that could or might occur during the course of a school year anymore than it can anticipate every eventuality that might arise in any of the areas covered in this handbook. Therefore, the Clinton Central Board of School Trustees authorizes the school administration to take the appropriate action when dealing with items, issues and situations, etc., not outlined in this handbook, and in doing so, apply any reasonable and appropriate disciplinary measures when needed.

MISSION STATEMENT:

Clinton Central strives to develop useful and productive citizens with a strong work ethic, a sense of moral responsibility, and commitment to the improvement of themselves and their community in a changing world.

CLINTON CENTRAL ELEMENTARY VISION:

Clinton Central Elementary strives to challenge all students to reach their full potential by providing the opportunity to acquire skills in the academic, democratic, emotional, and social areas.

CLINTON CENTRAL ELEMENTARY'S ACADEMIC COMMITMENT:

Explicit instruction that includes differentiation to meet the needs of all learners will be embedded with fidelity and rigor for student success. CCE teachers will use current and standardized data to drive instruction for all learners.

Curriculum Mapping: curriculum mapping is a process for recording what content and skills are actually taught in a classroom, school, or district during a longer period of time. Lesson plans describe in detail what and how a teacher intends to teach on a day to day basis the sequence of activities, student grouping, and resources used.

Differentiation: differentiated instruction is the way in which a teacher anticipates and responds to a variety of student needs in the classroom. To meet student needs, teachers differentiate by modifying the content (what is being taught), the process (how it is taught) and the product (how students demonstrate their learning).

Lesson Planning: a process that educators use to design learning experiences and instructional techniques to achieve specific learning goals. Backward design begins with the objectives of a unit or course – what students are expected to learn and be able to do – then proceeds “backward” to create lessons that achieve those desired goals.

Rigor: something that is “challenging” or causes extraordinary thought.

Formative Assessment: means to monitor student learning and provide ongoing feedback that can be used by instructors to improve their teaching and by students to improve their learning. More specifically, formative assessments:

- Help students identify their strengths and limitations and target areas that need work.
- Help educators recognize where students are struggling and address problems immediately.

Clinton Central Elementary provides 90 minutes of reading instruction each day.

Guided reading is one component of a four-block reading program, which consists of self-selected reading, shared reading, writing, and working with words.

Guided reading is one component of the shared reading block during which the teacher provides support for small, flexible groups of beginning readers. The teacher helps students learn to use reading strategies, such as context clues, letter and sound knowledge, and syntax or word structure, as they read a text or book that is unfamiliar to them. The goal of guided reading is for students to use these strategies independently on their way to becoming fluent, skilled readers.

The steps for a guided reading lesson are:

Before reading: Set the purpose for reading, introduce vocabulary, make predictions, talk about the strategies good readers use.

During reading: Guide students as they read, provide wait time, give prompts or clues as needed by individual students, such as "Try that again. Does that make sense? Look at how the word begins."

After reading: Strengthen comprehension skills and provide praise for strategies used by students during the reading.

The steps of a guided reading lesson will vary according to the needs of the students in the flexible group. As teachers become more comfortable planning and leading guided reading lessons, they will also become more skilled in structuring the lesson to best meet those students' needs.

Flexible groupings are based on student abilities and needs. There are various ways to determine a child's ability level, such as running records, print tests, and teacher observations. Since students progress at different levels, the teacher will need to have a plan for ongoing observation and assessment to track student growth, select appropriate texts, and to regroup students as their needs change. Again, teacher observations and running records can provide valuable information.

A wide variety of books at different ability levels, sometimes called "leveled texts," are necessary so that the teacher can fit the book to the group. Teachers should choose books that are easy enough for independent reading, meet the instructional goals for the group, and are interesting and motivating to students. As students become more skilled at using a range of reading strategies, the ability level of the texts used in guided reading lessons can be increased. Previously read texts should always be available so that students can reread them independently, with a partner, or at home as they become fluent, confident, and self-motivated readers.

Clinton Central Elementary provides 60 minutes of Math instruction each day.

As a 1:1 technology school, Clinton Central Elementary is devoted to using a Blended Learning model to improve academic performance. This allows each student to receive face-to-face instruction, hands-on instruction, as well as on-line instruction.

PURPOSE OF ATTENDANCE POLICY

Clinton Central Elementary School has developed goals to meet the required standards of the State of Indiana Guidelines. Indiana schools are expected to meet or exceed these goals developed locally along with standards mandated by the Department of Education. A school's attendance is one of the categories mandated by the state as an area for schools to be compared. Schools may perform well in terms of academics, but they may be placed in a lower achievement category due to insufficient attendance. The state created a category with a standard of 95% attendance required for students.

If we are to be successful within the school improvement standards, students need to have regular attendance. Our school needs to meet, if not surpass, the established attendance rate. If students are chronically absent or take extra vacation days, it becomes more difficult to attain the school-wide average necessary to meet mandated attendance requirements.

Regular attendance is essential to establish academic success. Work missed due to an absence is sometimes difficult or impossible to make up. Many activities, such as lectures, demonstrations, guest speakers, or convocations cannot be substituted with homework.

The entire process of education requires a regular continuity of instruction, classroom participation, learning experiences, and study in order to reach the goal of maximum educational benefits for each individual child. The primary goal of any attendance policy is to encourage maximum student attendance so that students may reap these educational benefits. Education is an ongoing process and attendance is a very integral part of that process.

Electronic devices are not allowed (school rules apply during detention). Late entrance will not be allowed. Students must sign in before the assigned detention begins.

GROUNDS FOR DISCIPLINARY ACTION

We believe an attitude of respect and personal responsibility must form the cornerstones for behavior in our school. Actions that are disrespectful or reflect an unwillingness to accept reasonable levels of responsibility, severely detract from the educational process, and will not be tolerated. In addition, it is the responsibility of school administration and staff to maintain an orderly environment wherein all students and staff feel safe. In light of these standards, there are times when it is necessary for school officials to make a decision concerning the acceptability of student's behavior in school or at a school-sponsored activity. Their decision must be based on the welfare of the total school community as well as the individual student. Communication and cooperation between staff members, parents, and students is encouraged in all matters regarding student discipline.

ALCOHOL/DRUGS/CONTROLLED SUBSTANCES

Students may not possess, use, or be under the influence of/or provide to any other person, drug paraphernalia and/or any substance, which is or contains alcohol, amphetamine, barbiturate, marijuana, a stimulant, a depressant, or a hallucinogen whether prescription or sold over the counter (without a prescription) or any substance that closely resembles any of the listed substances. No student, under any circumstance, is to provide medication (prescription or over-the-counter) to any other student.

CAFETERIA BEHAVIOR

Breakfast and lunch time should be an enjoyable and relaxing time for students. Lunches are served in the cafeteria. Students may bring their own lunch from home. However, food from restaurants is not to be eaten in the cafeteria and is not to be brought to school. Students must consume their food and drink in the cafeteria. EACH STUDENT WILL RETURN HIS/HER OWN TRAY, AND PUT SILVERWARE IN THE RECEPTACLE AND/OR PAPER PRODUCTS IN THE APPROPRIATE RECEPTACLE.

During lunch period students must remain in the cafeteria unless given permission to go elsewhere.

Parents (with a current background check) are allowed to eat breakfast or lunch with students. Clinton Central Elementary School has a closed campus during lunch hours; no students are allowed to leave the building.

All students are responsible for their environment in the cafeteria and must adhere to the following rules:

- food and non-food items on their table or on the floor surrounding their table must be cleaned up prior to dismissal

The administrator of record will take attendance (students must report on time or additional days of detention will be assigned). A school lunch will be provided for the students to eat in the detention room. During Lunch Detention, students will not be permitted to talk or communicate with other students. Students must bring something constructive to work on when they are finished eating their lunch; if work is not brought to detention, an assignment will be assigned.

CHEATING/PLAGIARISM

Violating rules of honesty such as copying another student's test, assignment, etc. is unacceptable as well as using the work of others or published work and/or violating copyright provisions without permission. Allowing other students to copy is also considered cheating.

Cheating occurs when students submit work for academic evaluation that is not their own, when they copy answers from another student during an examination, when they use prepared notes or materials prohibited during an examination, or other acts of misrepresentation of academic achievement that is submitted for evaluation or grade. We encourage healthy collaboration among students. Sometimes students will be asked to work together in teams for certain projects. Sometimes students will seek the assistance of another student to help them understand a course concept or assignment. This is not cheating. Cheating occurs when students copy another student's work and submits it under the pretext that they have independently done the work themselves.

Plagiarism occurs when you include someone else's writing, information, or idea in a paper and fail to acknowledge what you took by indicating whose work it was. Plagiarism involves the misuse of the intellectual property of another. It occurs when a writer fails to document a source so that the words and ideas of someone else are presented as the writer's own work. When a student copies verbatim or closely paraphrases a chart, illustration, or material from any book, article, or web site without clearly identifying the source from which it was obtained, plagiarism has occurred.

As a general rule of thumb for assignments, quoted or paraphrased material with cited references should not exceed 25% of an assignment. In other words, 75% of an assignment should consist of your own words, thoughts, or ideas. Students are expected to give credit when borrowing, quoting, or paraphrasing, using appropriate in text citations and a reference list.

Any Infraction:

AFTER SCHOOL POLICY

Students who must stay after school for practices, meetings, ball games, etc. must stay in the area designated by their instructor or coach. Private organizations such as scouts, 4-H, etc., must have leaders present. These leaders are responsible for the students staying for these events. Students from the high school who need to use our building are under the direction of their coach/adult supervisor, and rules adopted by Clinton Central Elementary shall apply. Please, NO RUNNING in the hallways after school. **Students who are not directly involved in an after school activity are not to stay after school. This also includes those students that may have a practice or contest that has a later start other than immediately following school. For example, a student having a practice that begins at 4:30 PM must first go home and then return to school. In addition, siblings or friends of students involved in after school activities should not stay after school as they do not have anyone responsible for them during this time. We must adhere to this policy, as there will not be any direct supervision for your student during that time. Students/parents may not enter a classroom after school hours without the teacher being present.**

1. When a student misbehaves on a bus, a bus conduct form from the bus driver may be turned into a building administrator and the driver will contact the parents of the students involved.
2. A building administrator conferences with the reported student. A disciplinary decision is made after investigation. Parents are contacted and informed of the disciplinary action. **Riding the school bus is a privilege.** Improper conduct on the bus may result in that privilege being denied.

Indiana law requires school personnel to report, not investigate, suspected abuse or neglect to the welfare department or appropriate law enforcement agency. Failing to do so is a Class B misdemeanor.

C.O.A.C.H Kids

Volunteers are always needed to serve as mentors for elementary students. If you are interested in mentoring an elementary student please contact the elementary office or the C.O.A.C.H Kids office formerly known as Big Brothers Big Sisters in Frankfort. An hour a week makes a huge impact in the life of a child.

CLASSROOM EXPECTATIONS

Students are expected to be in the classroom when the bell rings. Be prepared for class – bring all materials required for each class. Be courteous and respectful to teachers and fellow students. Be attentive to classroom topic, discussion, instruction, or lesson. Participate in class. Be prepared to stay in the classroom the entire period in assigned seat or area. Complete all class work and homework, and remain seated in the classroom until dismissed by the teacher. **Teacher's classroom policies must be followed.

COLD WEATHER AND RECESSES

We will be going outside unless it is extremely cold or damp. The wind-chill will be taken into consideration for determining outside recess. Administration will determine if it is appropriate for outside recess during inclement weather. If recess is held indoors, it would be best if your student had a clean pair of gym shoes available. You, as parents, can help by making sure your student leave home dressed appropriately for the day's weather conditions. If

students need to remain inside at recess time, we will honor notes with respect to the following guidelines:

1. A student must have a note for each day a request is made. We will not accept a note for more than one day at a time.
2. A note from a doctor will be required for any student who needs to remain in the building at recess for a period of longer than five (5) consecutive days.

Students are expected to follow all recess procedures. Recess equipment will be provided for student play. If your child wants to bring a recess item we would recommend having the child's name on the item. Students may not bring baseballs, bats, skateboards, and any other items that would be potentially dangerous during recess. Electronic devices are not allowed at recess. Playing football games are not allowed at recess. Pass and catch is allowed for football.

Computer/Technology Use Policy

At registration, parents sign a detailed consent form outlining student rights and responsibilities for computer/technology use. We encourage parents to discuss this policy with their student during registration. This agreement is entered into between Clinton Central School Corporation and the student to provide network, computer systems and Internet access. Computer access is intended to assist in the collaboration and exchange of information, facilitate personal growth in the use of technology and enhance information gathering and communication skills. The contract is to ensure that students will comply with all Network and Internet acceptable use policies by the Corporation in exchange for the use of the network resources either at school or away from school.

The agreement includes but is not limited to:

- The use of the Network is a privilege that may be revoked at any time for any reason.
- The Corporation reserves all rights to any files and may remove any files at its sole discretion
- Use of the computers/technology for any unauthorized purpose in any form is forbidden
- The Corporation and Network resources are intended for the exclusive use by their registered users. The student is responsible for the use of his/her account including password. Any problems which arise from the use of a student account are the responsibility of the account holder. Use of an account by someone other than the registered account holder or accessing another person's account without permission is forbidden and may be grounds for loss of access privileges.
- Any misuse of the account will result in suspension of the account privileges and/or other disciplinary action by the Corporation.

EMERGENCY SCHOOL CLOSING

If you work, or in case you are not at home, your child must know an alternative place to go in case of an emergency school closing. School closings, for any reason, will be announced on Frankfort Radio Station WIL0 1570 AM, SHINE 99-99.7 FM, and Channel 18, 6, 8, and 13. Please do not call the school. We will make a school reach call in addition to posting a message on our school website regarding school closings and delays. In the event of an early dismissal we will contact parents via email through Skyward and School Reach. The website address is

<http://el.clinton.k12.in.us>

End of Day Arrangements for Students

IF A CHILD IS NOT RIDING HOME FROM SCHOOL IN THE USUAL MANNER OR ON THE ASSIGNED BUS, THE PARENT MUST SEND A NOTE TO THE TEACHER ON THE MORNING OF THE DAY IN QUESTION WITH THE NAME OF THE BUS DRIVER, NOT THE BUS NUMBER. THE BUS DRIVER MUST BE CONTACTED BY THE PARENT. FAILURE BY THE PARENT TO CONTACT THE APPROPRIATE PEOPLE MAY RESULT IN THE STUDENT RIDING HIS OR HER ASSIGNED BUS. PLEASE KEEP THESE REQUESTS TO A MINIMUM DUE TO THE FACT THAT SOME BUSES ARE NEAR CAPACITY. IN AN EMERGENCY, THE PARENT MAY CALL THE SCHOOL OFFICE TO MAKE ARRANGEMENTS. DO NOT LEAVE A VOICE MAIL MESSAGE REGARDING END OF THE DAY ARRANGEMENTS FOR YOUR CHILD. PHONE CALLS AFTER 2:30 CONCERNING END OF THE DAY ARRANGEMENTS FOR STUDENTS MAY NOT BE HONORED. IF A CHILD DOES NOT HAVE A NOTE OR THE SCHOOL HAS NOT RECEIVED A PHONE CALL THE CHILD WILL RIDE ON THEIR ASSIGNED BUS.

EXTRA CURRICULAR PARTICIPATION POLICY

Eligible fifth and sixth grade students may participate in our athletic programs (basketball, volleyball, track, and cheerleading). The school administration, teachers, and coaches will monitor schoolwork. A student will be ineligible to participate on any athletic team during the season he or she has not mastered the appropriate grade level standards. Students may be placed on probation if he/she has not met mastery of standards; athletes will be eligible to attend practices, but will not be eligible to participate in athletic contests. Academic progress will be monitored every three weeks. During the probation period (3 week grade check) a player may resume participation in athletic contests once they have achieved mastery status.

Only those students who are participating in the sport are to stay for practice. Any participant that quits will not be allowed to be re-instated to the team during the season. At the elementary level it is very difficult for a student to be a double sport athlete during the same season. Therefore, double sports will not be allowed during the same season while in elementary school.

EXTRACURRICULAR ACTIVITIES – BEHAVIOR OF STUDENTS

At all times, the students' behavior should be refined and courteous. An indication of the cultural level of a school is the conduct of its student body at a school event. We encourage all students to attend extracurricular activities. Following is a list of regulations for high school and elementary events that will help everyone to be able to enjoy the activities:

1. During the contest or event, students are to stay **in the contest or event area and sit in the bleachers or chairs when appropriate.**
2. Students may leave the contest or event area at half-times, between games or intermissions, but never leave the building or school grounds until leaving with the parents or other parent arranged transportation or have school administration approval.
3. Immediately following an activity, students are to have their parents pick them up promptly at the gym entrance.

Students should not have to use the phone except in case of an emergency. We will announce the approximate time the activity will be over so students can have parents pick them up at that time.

4. Hats are NOT to be worn in the building unless for a special occasion during the day.

FIRE /TORNADO/SAFETY DRILLS

Fire drills are held monthly throughout the school year. Tornado drills are conducted throughout the school year especially during the spring months. In addition, school safety drills are also practiced throughout the year per Indiana Code. Students are expected to follow adult directions and conduct themselves in a quiet and orderly manner.

HOMEWORK POLICY

The School Board acknowledges the educational validity of out-of-school assignments as adjuncts to and extensions of the instructional program of the elementary school. "Homework" shall refer to those assignments to be prepared outside of the school by the student or independently while in attendance at school. Homework should be a properly planned part of the curriculum to extend and reinforce the learning experience of the school or to complete work not completed in class. Homework should help students learn by providing practice in the mastery of skills, experience in data gathering, and integration of knowledge, and an opportunity to remediate learning problems. Homework should help develop the student's sense of responsibility by providing an opportunity for the exercise of independent work and judgment. The number, frequency, and degree of difficulty of homework assignments should be based on the ability and needs of the student and take into account other activities that make a legitimate claim on the student's time. As a valid educational tool, homework should be assigned with clear direction and its product carefully evaluated. The schools should recognize the role of parents by suggesting ways in which parents can assist the school in helping a student carry out assigned responsibilities. Homework should always serve a valid learning purpose; it should never be used as a punitive measure.

We at Clinton Central Elementary feel that homework is an important factor in your child's education. We realize that parents are very busy and have demanding schedules to meet. We, however, offer the following suggestions:

DO:

1. Provide space free from disturbances.
2. Double check his/her work and see that he/she completes it.
3. Review test and class work.
4. Encourage children to proofread all work.
5. Encourage children to bring home necessary books to complete assignments.
6. Communicate with teachers about homework concerns.

DON'T:

1. Do your child's homework for him/her.

2. Become upset and angry at your child because he/she did not have the right answer.

The homework guidelines for each grade will be distributed at open house.

HEALTH SERVICES

The school nurse and nurse assistant have three goals and concerns, maintenance of a good standard of student health with the prevention of accidents and illnesses, and with the first aid treatment of such occurrences while the student is in school. Students injured or sick at home before arriving to school should be treated by their parent(s)/guardian.

HEALTH REFERRALS/RELEASES

If a student becomes ill during the school day, the student must request permission from the teacher to go to the nurse's office. Then the teacher will provide a health referral to the student. In the case where the school nurse or nurse assistant is not available, the student is to report to the main office, where the principal or principal's designee will assist the student. During the school day, it may be necessary for the student to go home in the best interest of his/her health and that of the school. The nurse, or office designee will decide whether the student should be sent home. If there is a necessity to go home, the nurse or office designee will inform the parent/guardian. When the parent/guardian is not available, the person on the emergency list will be contacted. The parent/guardian/or emergency person will then sign the "Sign-Out-Sheet" in the main office before leaving the building. Students are not allowed to call home when they are ill without permission of the nurse/nurse assistant or office designee. The student who fails to follow procedure and leaves without properly checking out will be given an unexcused absence for classes missed and may be subject to disciplinary action. Students who remain in restrooms claiming illness are considered truant. Should a student become ill in the restroom, he/she should have someone notify the office for help.

ILLNESS

Students will be sent home if needed when they become sick at school. School procedure will be if a child becomes ill with a fever of 100 degrees or greater or has a possible contagious condition the parent or the emergency contact must pick the child up from school. The student must be signed out in the main office. For safety reasons, students cannot walk home alone.

Students will be allowed to return to school when they have been fever free without the use of fever reducing medication for 24 hours. If the student is sent home with vomiting and diarrhea, they must be free of all symptoms for 24 hours, or they must submit a note from their physician stating that they are not contagious.

AFTER ABSENCE DUE TO ILLNESS, A PARENT NOTE IS REQUIRED. FIVE OR MORE CONSECUTIVE DAYS OF ABSENCES MAY REQUIRE A DOCTOR'S RELEASE FOR RETURN TO SCHOOL/SCHOOL ACTIVITIES. WHEN YOUR CHILD IS HOSPITALIZED A DISCHARGE FORM FROM THE HOSPITAL OR A DOCTOR'S RELEASE MUST BE SUBMITTED TO THE OFFICE.

IMMUNIZATIONS

Indiana State Law requires that every child residing in the state shall be immunized. Indiana code 20-8.1-7 requires parents to furnish documentation of immunizations when a child enrolls in a school corporation for the first time. No child shall be permitted to attend school for more than thirty (30) days until these procedures have begun or until a written statement from a doctor or local health department official explaining the delay due to extreme circumstances is submitted. This written statement must include a time schedule approved by a doctor or health department official for completion of such immunizations.

Indiana Code 20-8.1-7 and the Indiana State board of Health regulation HCD 32 (410 IAC 101) requires the following immunizations:

Immunization Requirements are as follows:

- a. All preschool, early kindergarten, kindergarten, 1st Grade, AND 2ND grade students will be required to have 2 doses of varicella vaccine, given on or after the first birthday and separated by 3 months, or a history of chickenpox disease.
- b. All kindergarten students will be required to have one of the required doses of polio vaccine given on or after the fourth birthday, and at least 6 months after the previous dose.
- c. All 6th – 12th grade students will be required to have 2 doses of varicella vaccine, given on or after the first birthday, and separated by age-appropriate intervals as defined by the CDC, or a history of chickenpox disease.
- d. All 6th – 12th grade students will be required to have 1 dose tetanus-diphtheria-acellular pertussis vaccine (Tdap) given on or after the 10th birthday.
- e. All 6th – 12th grade students will be required to have 1 dose of meningococcal conjugate vaccine
- f. All 6th grade students must have the Tdap booster, meningitis vaccine, and the chicken pox vaccine

LUNCH PROGRAM

Hot lunches are served daily in the cafeteria. Money may be brought on Monday for the entire week. Menus are sent home monthly and are accessible on the school website. It is the parents' responsibility to see that students come to school with lunch money or their lunch. Free and reduced lunches are provided to those who qualify. Applications are issued at registration time or may be secured from the building principal each year. Breakfast will be provided for those students interested. After 3 charges, students will be given a peanut butter sandwich and milk. Lunches of a fast food variety are prohibited; i.e., McDonalds, Wendy's, etc. Lunches brought from home should not include sodas and candy. Parents may monitor their child's lunch account through Skyward.

LEAVING SCHOOL EARLY

A request to have a child excused from classes early should be sent with the child on the morning of the dismissal. The time and reason for leaving should be included. The person picking the child up must report to the front office to complete the sign-out sheet for our records.

LIBRARY

The school encourages frequent use of the library by both students and staff. Individual students and small groups are permitted and welcome to visit the library at any time. Students in Early Kindergarten and Kindergarten are permitted to select 1 book or magazine for a week's time. Two books or magazines may be checked out for two weeks by students in grades 1-6. Books lost or damaged will need to be paid for after inventory has been completed in May. The library circulates all A-V software and equipment through a computer program.

LOST AND FOUND

A lost and found box is located outside the main office. When an article has been lost, a student should check the lost and found box. When visiting the school, parents are encouraged to check this area. Parents can help ensure that missing coats, sweaters, boots, etc. are returned to their owners by placing names or name labels on their child's clothes. At the end of the nine weeks left items will be donated or disposed of.

MEDICAL RECORDS

Each student's medical records are computerized. These records consist of a student's medical history including, but not limited to, special alert/needs, immunizations, allergies, and medications. Principals, teachers, and support staff have access to these computerized records. Due to the nature of confidentiality, if you do not want your child's medical records accessible, the school needs to be informed in writing immediately.

The schools are reporting immunization data electronically through the use of the immunization data registry. All schools reporting to ISDH will be using C.H.I.R.P. C.H.I.R.P. is the Indiana State Department of Health's Children and Hoosier Immunization Registry Program.

The Federal Education Rights Privacy Act (FERPA) requires parental consent to release immunization information from the school to the Indiana Immunization Registry. Clinton Central School Corporation needs a permission slip signed for each of our student's preschool and K-12. The form needs to be signed only once when the student enrolls in our corporation.

MEDICATION POLICY

Whenever possible, the parent should give medications at home. No prescriptive and/or non-prescriptive medication shall be administered to a student without the written and dated consent of the student's parent/guardian. The consent of the parent shall be valid only for the period specified on the consent form and in no case longer than the current school year.

All prescription medicine, including injectable medicine and all blood glucose tests by finger prick to be administered to a student must be accompanied by a physician's prescription or a copy of the original prescription. The authorization form to administer prescriptive medication is available in the nurse's or main office. This request must be signed and dated by the physician and parent.

All non-prescriptive medicine for a student's use in school must be accompanied by a written request from the parent or guardian or a parent/guardian may fill out an authorization for non-prescriptive medicine available in the nurses or main office. This request must be signed and dated.

If the medication is to be terminated before the date on the prescription or before the end of the school year, the written and dated consent or withdrawal of consent of the parent/guardian is required. The written consent of the parent/guardian and written order of the physician shall be kept on file.

No student shall be allowed to keep prescriptive and/or non-prescriptive medicine at school. If for some unusual circumstance the physician wants the student to carry the medicine in his/her possession, a note from the physician will be required. The note must state that he/she has to carry the medicine and the reason.

STEPS:

- 1.) All non-prescriptive or prescriptive medications are to be kept in the original container. Non-prescriptive medicine must have the child's name on it. The label must coincide with the physician's order or parent's consent at all times. All medication must have the name and dosage of the medication, the amount, and the time to be administered.
- 2.) If a student reports that he or she forgot to take their medicine before coming to school, no make-up dosage shall be given to the child until the parent has been contacted. Then the next dosage will be adjusted. This will only be done for students who have medication on file. The parent may need to come to the school and dispense the medicine.
- 3.) If the student forgets to come to get their medication at the scheduled time, the medication will be dispensed no later than a half hour after the scheduled time.
- 4.) Medication may be dispensed 1/2 hour earlier than scheduled time if lunch is adjusted due to an assembly, field trip, or conference, etc.
- 5.) If the medication is not retrieved by the end of the school year, the medication will be discarded.
- 6.) Any change in medication must be accompanied by a parent note for non-prescriptive medication or by an order from the physician for prescribed medication.
 - a.) The nurse, principal, or principal's designee cannot accept verbal permission to administer a non-prescriptive medication.

MEDICINE BROUGHT TO SCHOOL

Any medicine that is to be dispensed at school must be in the original pharmacy bottle bearing the original pharmacy label, or it will not be given. A note from the parent must accompany the medicine giving the nurse permission to give the medication. **(Exception: Ritalin must be brought to the nurse by a parent or guardian. In addition, per State law, a student may have an inhaler in their possession.)** For safety purposes the above policy must be adhered to. No exceptions will be made. If you do send a pill in an envelope or some other type of container, it will not be given. It will be kept in the nurse's office until you come and pick it up.

Policy for Pediculosis Capitis (Head Lice)

1. Any student seen with live lice and/or any nits will be sent home.
2. Siblings of affected students will be checked that day for pediculosis and dealt with according to step 1.
3. Information will be sent home with infected student to his/her parents for educational purposes.
4. Confidentiality will be maintained in all cases.
5. The student(s) will be checked by the nurse and readmitted only if no lice or nits are found.
6. Parents of children in the affected classroom will be notified only if it is deemed necessary by the principal, teacher, or school nurse.
7. If a family is uncooperative, outside social/health service agencies may be contacted

MISSING CHILDREN

Indiana Missing Children law requires that within 30 days of initial enrollment in any grade that a parent or guardian must provide a birth certificate or other reliable proof of the student's date of birth, along with the name and address of the school last attended, if any. If the information is not provided within 30 days, or appears to be inaccurate or fraudulent, Clinton Central is required to notify the Indiana Clearing House for Information on Missing Children.

NURSE SERVICES IN THE ELEMENTARY

The school nurse wears many hats. She does more than put on Band Aids, dry tears, and field emergencies. Health records are kept on each child's permanent record folders. Vision tests are given in grades Early Kindergarten, kindergarten and 3. Students are checked individually for lice, impetigo, and other skin irritations as necessary. Selected classrooms of children are weighed and measured once a year. Fifth and sixth grade boys and girls learn about normal body changes. Children attending kindergarten roundup/screening are checked for immunization compliance and vision and hearing problems. Parents are consulted concerning health problems both in person and through the school's monthly newsletter. **If your child is currently taking medication or has a change in their medication please contact the school nurse.** Medications given at school must be in their original container with the label attached. If it is a prescription medication that is given daily, the parent must sign a consent form and have a doctor's order or the prescription label on the bottle.

Parents Right to Know

Qualifications-At the beginning of each school year, a local educational agency that receives funds under this part shall notify parents of each student attending any school receiving funds under this part that the parents may request, and the agency will provide the parents on request, information regarding the professional qualifications of the student's classroom teachers, including, at a minimum, the following:

- 1) Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- 2) Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- 3) The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

PARENT/TEACHER CONFERENCES

At the end of the first nine weeks and any other time as needed, time will be set aside for conferences. This is a real opportunity to develop a working relationship between the home and school.

PERSONAL ELECTRONIC DEVICES

Students are not allowed to have personal electronic devices on school grounds unless it is off and kept in a concealed place. It may be used for emergency purposes or an educational function that is sanctioned by the school, with permission from the teacher. Students having said device must not display these devices during the school day. They must be kept in a concealed place and must be turned off during the school day and or school functions.

RELEASE TO NONCUSTODIAL PARENTS

A noncustodial parent, unless restricted by a court order, will have access to all student report cards, student records, and disciplinary actions. The noncustodial parent also will be allowed to participate in conferences and some other school activities unless restricted by a court order. The child will not be released to the noncustodial parent without written permission from the custodial parent. (Step mom or step dad are not custodial parents)

REPORT CARDS

At the end of each nine weeks, our elementary school will issue a report card that indicates the child's academic progress and attendance. The standards-based evaluation key is listed on the student's report card.

Student Pick Up/Drop Off

For those students that are being brought to school in the morning students need to enter the South main entrance of the elementary no earlier than 7:45 AM. **If students are dropped off earlier the doors will remain locked and the school will not be responsible for your child.** Please do not drive between the elementary and Jr/Sr. high school as this will make it very difficult for the school buses. In the afternoon pick up will be on the South main entrance of the elementary. Vehicles should "line up" in a single file formation and should pull forward to the main entrance to pick up their child. As you arrive to pick up your child please move forward as the cars in front of you leave. WE DO NOT want children running/walking through the parking lot to get to a vehicle. If you want to exit your vehicle we would ask that you park in the parking lot. **Students must be picked up by 3:10.**

STUDENT DRESS

Parents are responsible for sending their children to school and school functions with proper dress and appearance. Students should dress according to the styles in good taste and appropriate for movement throughout the school and on the playground. Any type of dress that would disrupt a class or school function is not allowed. This is left to the discretion of the staff and administration.

Clinton Central Elementary highly encourages parents to make sure students are dressed appropriately for school and the current weather conditions. Open toed shoes such as "flip flops" and sandals can be a safety concern while children are playing at school.

Here are some guidelines:

1. Shoes are to be worn at all times. For inside recess and physical education class we recommend a clean pair of tennis shoes be left in the child's classroom.
2. Wearing apparel that is unclean, unhealthy, or unsafe is not permitted.
3. Students must be fully clothed - no exposed skin from the top of the garment to the bottom of the garment. (no halter tops, no see-through clothing, no tank-tops that are large and expose the side of the body, no short shorts, jogging shorts, or shorts with slits up the side) A guideline to follow for shorts and skirt lengths would be the fingertip rule (arms extended to the side of the legs and the garment should be no shorter than the longest fingertip).
4. No pictures or symbols that are illegal, immoral, and socially objectionable such as those depicting violence, blood, killing, death, (including pictures of skulls) or printing on clothing or school bags which supports or advertises tobacco, alcoholic beverages, drugs, and/or sex should be brought or worn to school. In addition, students will not be permitted to wear items that are of questionable moral taste, rude, vulgar, indecent, or immodest by community standards as interpreted by the administration.
5. Students may wear yoga pants if they wear a long finger-tip length skirt or shorts over the yoga pants. Pants with holes in them are permissible only if the holes are below finger-tip length.
6. Skirts and shorts which are measured to come below the longest fingertip when standing straight with arms extended down the sides are allowed.

7. Hats/hoods or other head apparel, such as handkerchiefs are not allowed to be worn during the school day.

SEXUAL HARASSMENT

Sexual harassment is unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature. This can be by an employee to a student, one employee to another, or a student to another student. A student who believes he or she has been sexually harassed should file a written complaint with the principal. The confidentiality, both of the complainant and of the accused, will be respected consistent with Clinton Central School Corporation's legal obligations and the need to investigate allegations of misconduct in order to take appropriate corrective action. Any person who knowingly files false charges against an employee or student in an attempt to demean, harass, abuse or embarrass that individual is subject to disciplinary action.

STATEMENT OF COMPLIANCE AND NON-DISCRIMINATION

Clinton Central Elementary will be in compliance with all federal statutes, including, but not limited to, Section 504 Rehabilitation Act of 1973, Americans with Disabilities act, Office of Civil Rights and Non-discrimination regulations as applied to public school corporations, Title IX, and Family Educational Rights to Privacy Act. Copies of statutes are available upon request from the Office of the Superintendent, Clinton Central School Corporation.

STUDENT INFORMATION SYSTEM (Skyward)

Clinton Central Schools are currently utilizing a student information system known as Skyward. With this internet based technology parents are able to access many student records and information pertaining to their child. Some of the items include: academic progress, assignments, lunch account, attendance, discipline, and demographics to name a few. If you need information on how to access Skyward please contact the elementary office at 249-2244. If you do not have internet access to view your child's information on Skyward, visit your local library. **Please keep your student information up to date in Skyward; this is how we will communicate with each family weekly.**

SUPERVISION

Students are under school supervision each school day from the time they board the bus until they exit the school bus to return to their homes. Students are also under school supervision at extracurricular events. Teachers/Administrators are on duty at all school functions. They have the authority to correct or reprimand any students who do not conduct themselves in the manner of good citizens. **If parents are present at an extra curricular school function we would expect the parent to enforce good behavior.**

TELEPHONES

Students should ask to use the telephone only in case of emergency, permission will be granted by the teacher. Arrangements for after school activities should be made before coming to school. Parents are encouraged to call the

teacher at a time when classes are not in session. Students will be allowed to use the telephone to notify parents of cancelled after school activities.

VACATIONS

The state legislature has passed a law stating that students are to attend school for 180 days; therefore, we encourage you to schedule your family vacation during school vacations. A current school calendar is available on the school website to help parents plan vacations in advance.

VISITORS

Parents are encouraged to visit the school to observe their children in class or to participate in special activities. However, all visitors and parents are requested to report to the office upon arrival. **Clinton Central Schools have a door access system that keeps the exterior doors locked at all times during the school day. When you visit the school you will need to enter on the South side of the building and follow the directions listed on the door. All visitors must have an updated background check on file.**

VOLUNTEERS

Volunteers have become a vital part of our school day. We encourage you to sign up to become a part of our volunteer staff. We utilize volunteers in the classroom, library, and front office. (An annual background check is required)

WELLNESS POLICY / SCHOOL PARTIES

Birthday parties or traditional holiday parties will be limited and will follow the Clinton Central School Corporations School Wellness Policy. The Wellness Policy may be found on the school website at <http://el.clinton.k12.in.us>. Classes will be limited to one party per month. Parents must bring healthy snacks that are pre-packaged from the store if you choose to bring snack items. **Home made items will not be allowed. Soda is prohibited.** Parties should be planned for the end of the day using a bare minimum of academic time. An alternative for your child's birthday would be to donate a book to the library with the child's name and date printed on the inside of the book. Parents should contact the school office and give the date and the amount of money they wish to spend on their child's "BIRTHDAY BOOK". Invitations to birthday parties are not to be distributed at school unless all classmates are to be invited. Balloons that are delivered to school will not be given to the child until the end of the day so as not to disrupt classes. In addition, balloons may not be allowed on the bus, or will be at the driver's discretion. **The school cannot give out student names and or addresses to parents.**

WITHDRAWAL OF STUDENTS

The school should be notified at least two days in advance of a student's impending withdrawal. All textbooks, library books, lunch payments, and fines must be cleared before the student secures a transfer record to another school. Book rental refunds may take 2-3 weeks or more to process.
