

Clinton Central Elementary "Bulldog Buddy" Lunchroom Volunteer Program

- Our littlest Bulldogs need a little extra help during lunch. Show your support for our Early-Kindergarten and Kindergarten students by volunteering during lunch from 10:40-11:15.
- Select the dates that work best for you. Feel free to volunteer once per week/month or many times throughout the year!
- All parents and community members are welcome to volunteer pending the approval of a background check. A background check form needs to be completed at the Elementary office.

Duties:

- Serve as a friendly "Bulldog Buddy" as students eat lunch.
- Help students move through the lunch line, open containers, encourage them to eat and assist the students with trash.
