Life Goals Pledge

I will do the right thing today—
even if I don't feel like it.

I will treat people right today—
even if I don't feel like it.

Today I will remember that my will-

So glad to see each of you today.

Be sure to smile. Be careful while you are on the stage today.

“Talk About it” Tuesday

You all are at the age now, where you are beginning to see that Lifelines are more than just posters.

We know that the key to our success at school, home, and community is using Lifelines.

Everyday we “talk the talk” with our words. We “walk the walk” with our actions.

Today we are going to talk about how we can use Lifelines to help us AND others.

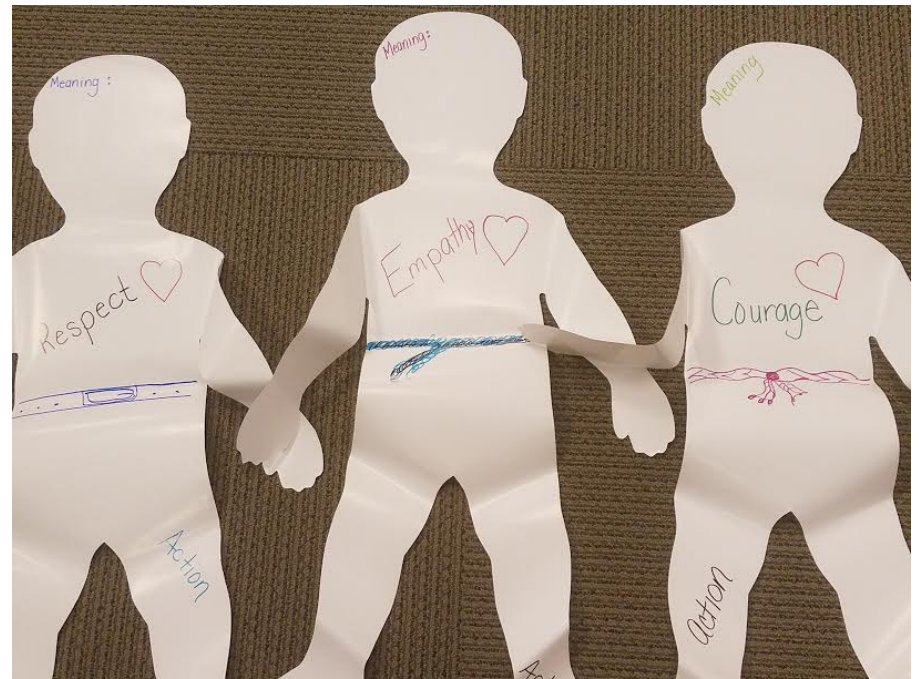

Before We Talk About It... Watch this...

- Look for Lifelines. What Lifelines are not being used in the first scene? What Lifelines are evident in the second scene?
- Where were the Lifelines used or not used?
- What specific actions demonstrated the Lifelines?

Talk About Lifelines

- **Meaning** – in your own words
- **Personal Connection** – describe your experience
- **Action**- When and where can this Lifeline be demonstrated?
